

IEEE Global Reliability & Prognostics and Health Management
Conference, October 13-16, 2022

PHM Yantai 2022

Best Paper Award

Presented to

YUAN JIANG AND GANG NIU

for the paper titled

*Rail Local Damage Detection based on Recursive Frequency-domain Envelope
Tracking Filter and Rail Impact Index*

A handwritten signature in black ink, appearing to read 'Steven Li', written over a white rectangular background.

Z. Steven Li

President of IEEE Reliability Society 2022
